This matter comes before the Court on petitioner's motion to supplement the record. The Court, having considered petitioner's motion, and the balance of the record, does hereby find and

ORDER:

(1) Petitioner's motion to supplement the record (Dkt. No. 23) is DENIED. Petitioner seeks to supplement the record with materials which he believes provide additional support for the claims set forth in his federal habeas petition. However, none of the proposed supplemental materials submitted by petitioner alter this Court's analysis of petitioner's claims, as set forth in the Report and Recommendation issued on October 12, 2005, or this Court's conclusion that petitioner's federal habeas petition should be denied. Accordingly, it would serve no purpose to permit petitioner to supplement the record at this juncture.
